

DIABLO

2014 WHEEL COLLECTION

Diablo Wheels has risen to become one of the industry leaders in creating unique and innovative styles. While many companies choose to play it safe and copy other popular designs, Diablo has taken the more challenging path to success.

Diablo was the first wheel company to create custom finish accessories and removable inserts. Diablo's in-house design department is constantly developing new ideas and styles that will set the trend for this year and into the next.

I HAVE TRAINED MAJOR AUTOMOTIVE DESIGN STUDIOS IN LOS ANGELES AND DETROIT

- AUDI STUDIO/VOLKSWAGON STUDIO

- NISSAN DESIGN INTERNATIONAL
- METALCRAFTERS STUDIO

THE TRANSFORMER WHEEL DESIGN: WAS AN OFF-ROAD WHEEL WITH A BEEDLOCK THAT HAD SPOKE GRADS TO PROTECT THE CHROME FROM ROCKS AND DEBREE. ONCE ENTERING THE CITY YOU COULD DETACH THE SPOKE GUARDS AND PUT ON A MORE STYLISH REPLICABLE INSERT THAT MADE THE VEHICLE LOOK URBAN AND COOL ON THE BOULEVARD. THUS ITS NAME! DIABLO TRANSFORMER

QUICK RELEASE MECHANISM: TO HOT SWAP INSERTS IN SECONDS

THE DEFIANCE WHEEL DESIGN:

WAS A SPLIT SPOKE WITH EVERY OTHER SPOKE NOT ATTACHING TO THE RIM MAKING IT APPEAR THAT

THE CENTER WHEEL FLOATED OFF THE RIM. MANY STATED. IT COULD NOT BE MADE, WITH DETERMINATION AND REFINEMENT IT WAS MADE IN DEFIANCE OF THAT STATUS QUD. THUS IT'S NAME.

THE REFLECTION AND REFLECTION X WHEEL DESIGN:

A REFLECTION OF AN IMAGE BOUNCES OFF CHROME SPOKES OR LIP FROM A HIDDEN SHELF. MAKING A STUNNING VISUAL EFFECT, AS IF THE COLORFUL IMAGE OR LOGO IS FLOATING ON THE WHEEL. THUS ITS NAME. INSERTS CAN BE HOT SWAPPED FOR DIFFERENT THEMES OF COLORS. ITS MAIN GOAL WAS TO CUT THE COST TO THE CONSUMER IN HAVING COOL AIRBRUSH GRAPHICS ON YOUR CAR AND WHEELS WITHOUT THE HIGH AIRBRUSH PRICE. ALLOWING YOU TO PUT ON ANY TYPE OF IMAGE OR GRAPHICS. EXAMPLE: LOGOS, CAR CLUBS, SPORTS TEAMS, ANYTHING YOU WANT. THE VINYL THAT THE IMAGE IS PRINTED ON IS INDUSTRIAL AND CAN STAND HEAT OF 200 DEGREES AND THE INK OR COLOR WILL LAST MORE THAN TWO YEARS WITHOUT FADING.

THE LIP TO LIP DESIGNS: HYPER EXTENDED LIP, MAKING IT POSSIBLE TO HAVE A 13" LIP ON A 10" TIRE. WE CAN CUT THE LIP AT HALF INCH INTERVALS TO ANY CUSTOM SIZE. FOR EXAMPLE A 24X10 CAN HAVE A LIP SIZE OF 10", 10.5", 11", 11.5", 12", 12.5", 13" THERE IS A NEGATIVE FROM ZERO OFFSET TO ACCOMMODATE (THE MONSTERS) THE OLDER MUSCLE CARS. THE PAD CAN BE CUT TO ANY OFFSET TO ACCOMMODATE YOUR CAR. THESE TWO VARIABLES ALLOW US TO PUSH THE WHEEL IN AND OUT OF ITS AXIS. ALSO TO CUT THE LIP SO AS NOT TO INTERFERE WITH STRUTS OR AIR SHOCKS AND OTHER EQUIPMENT. NO SPACERS OR ADAPTERS NEEDED. THE PAD IS BOLTED ROCK SOLID. THIS WHEEL IS TRULY THE LONGEST CONTINUOUS LIP ON A WHEEL. EVER! YOU HAVE TO SEE IT TO BELIEVE IT!

SINCE THEN I CAME TO BE AT DIABLO WHEELS

A DECADE OF INNOVATION: HISTORY CANNOT BE CHANGED IT STANDS AS PROOF OF OUR LEADERSHIP IN THE WHEEL INDUSTRY.

THE FOLLOWING PARAGRAPHS WILL ILLUSTRATE INOVATIVE WHEELS UNLEASHED ON THE WOLRD STAGE OVER THE LAST 10 YEARS. ONLY FLAGSHIP WHEELS WILL BE MENTIONS THAT CHANGED THE SCENE OF THE WHEEL INDUSTRY AS YOU NOW KNOW IT.
