- Wheels damaged due to adverse weather conditions and road chemicals.
- Wheels: that have not been installed or cared for properly.
- Wheels that have been installed with tires that exceed the recommended size or used with excessive vehicle loads.

- Wheels that have been installed with other than Diablo Wheels approved accessories such as adapters or spacers used to change the original bolt pattern or offset.

This warranty is valid only when product is returned with pre-approval to an authorized dealer, freight prepaid, together with original sales slip for proof of purchase.

All returns must have RGA# or shipment will be refused.
