WARRANTY INFORMATION

• Limited Lifetime Structural Warranty • Limited Two Year Chrome Warranty •

Merceli Wheels warrants to the original purchaser, that Merceli Wheels will be free of structural, manufacturing and material defects for as long as the original purchaser owns the product. Proof of purchase (date invoice or bill of sale) with the purchasers name, will be evidence proof of original ownership. This warranty is valid and only for the benefit of the original purchaser.

Wheels are warranted for a period of two years from the original date of purchase against defects of materials and workmanship such as peeling, flaking or blistering of plating.

This warranty does not cover corrosion or discoloration caused by chemicals, detergents, polishing compounds or coarse abrasives used in cleaning. Using these types of products can permanently damage your wheels and will void your warranty.

Always make sure the wheels are cool to the touch before cleaning. Failure to let the wheels cool thoroughly before cleaning can cause discoloration. Clean wheels frequently with mild soap and warm water. Freight and expenses incurred for labor and mounting or dismounting or tires are not covered by this warranty.

This warranty is void if wheels are damaged by nicks from improper tire mounting, improper installation, accidents, curb damage, normal wear and tear, and neglect or road impact. Pits and minor imperfections on a newly chromed wheel may be seen on occasion. These are the result of the manufacturing process and are not plating defects. This Warranty is not transferable.
